**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

After endless problems with AT&T for internet service, I did some research & found Sonic. Their service is great & reasonably priced. When any glitches arise, their technicians are pleasant & responsive. I was grateful that there was a competitive option superior to AT&T & Comcast. My husband & I are owners of small businesses & cannot afford to pay high prices for telephone & internet service. Sonic is not available to our businesses, so we use Jive, again, a fraction of what we spent for AT&T.

Best,
Claudia Schwartz
